

Overpayments Policy

Overpayment where a death grant and/or a survivors pension is not being paid

No recovery of the overpayment will be sought by the pension fund if the fund is either:

- Notified within one calendar month and/or
- The amount of overpayment is less than £250

Overpayment where a death grant and/or a survivors pension is being paid

Any overpayment will be recovered from these benefits.

Overpayment recovery period

Overpayments can be repaid in monthly instalments (the period for instalment repayments being equal to the original overpayment period).

The level of instalment(s) will be agreed by the PPT and documented within a signed Repayment Plan.

Different recovery periods may be agreed in exceptional circumstances (financial hardship etc.).
